

**Oklahoma Quarter Horse Youth Association 2017 Officer and Director Application**

This application must be completed and returned to [annelizabethtebow@gmail.com](mailto:annelizabethtebow@gmail.com) by midnight on January 1<sup>st</sup>, 2017. All received applications will then be compiled and sent out to the entire OQHYA membership for review prior to voting at the annual convention meeting on January 14<sup>th</sup>, 2016.

This application is the result of a motion made at the 2016 convention to help simplify the election process the day of the convention and help members make more educated votes. It is an effort to mirror, on a much simpler scale, the process used on a national level. It is our goal to help members gain experience with application processes of this sort.

It is important to note that this application will have no direct effect on who gains office it is just a tool that is being used to help members get more familiar with the candidates prior to the day of voting. Even if you are not sure if you want to run for a position, it is encouraged to fill out this brief application to make sure that you are eligible. Please refer to the OQHYA by-laws on [okqha.com](http://okqha.com) to review what positions you are eligible to run for.

Please contact Ann Elizabeth Tebow with any questions.
