

Redbud Spectacular Health Protocols

The following guidelines have been put in place in accordance with the recommendations of the CDC and WHO regarding social distancing and public health. Exhibitors are asked to refrain from attending the show if they have been in contact with anyone exhibiting COVID-19 symptoms within the last 14 days, have a fever or other symptoms, or are immune compromised.

If you have a professional service provider (i.e. braiders, banders, farriers, etc.) attending to your horses, ask them to review these protocols and sanitize between clients.

Exhibitors and Show Arenas

- People shall not congregate in groups larger than 10 people and must follow social distancing guidelines.
- Riders and people on foot must keep at least 6 feet of space between each other at all times.
- Arena entrance/exits will be arranged so that riders are not coming in close contact entering and exiting the arenas. Riders are to follow directions for entering/exiting. Loitering is not allowed around the gate areas.
- Riders shall maintain social distancing guidelines at all times including, but not limited to, the warm-up and show arenas.
- Respect the gate person's personal space and maintain proper social distancing when interacting with him/her.
- Monitors will be provided to maintain social distancing. Such individuals will be identified as "OQHA official".
- Outside spectators will not be allowed. Exhibitors are encouraged to limit the number of people in their group (i.e. parents, spouse, a single family member, and coach).
- Only exhibitors and trainers in the class currently working may be in the adjacent warm-up arena. (Exception: Small fry parents are allowed in the warm-up arena).
- No foot traffic (including trainers, family, etc.) allowed at the in-gates. Foot traffic must go to stands to watch the class. (Exception small fry where one person will be allowed to go to the in-gate for safety purposes).
- With regard to the other, non-showing rings, we will ask a limit of 2 people/horses per 1000 sq ft. (i.e. The performance arena is 30,000 sq ft, by that math, we would allow up to 60 **people and/or horses** at one time warming up. Barn 8 Arena is approx. the same size. Super Barn arena is 22,000 sq ft allowing for **44 people/horses**. All individuals on the ground or assisting riders will be asked to maintain a 6 ft social distancing standard at all times. This will be a challenge as you are approaching the competition ring, but you will be asked to respect that distance).
- Those seated in the stands will be asked to leave two (2) vacant seats between each person.
- Every other aisleway in the seating area shall be blocked off for safe distancing.
- Exhibitors must deliver a signed liability release and waiver as they pick up their back number. Please print this form off and bring it with you to assist in office efficiency. This form will be available at www.okgha.org and www.mane-events.com
- Exhibitors are encouraged to pre-enter and complete all paperwork online. Paperwork may be submitted to the show office via email.
- Electronic check-out will be offered via email review of exhibitor's tab.

Show Office

- Show office capacity will be limited to one person per actively staffed front desk computer plus one person in the waiting area for the next in line. Only one person is allowed at each station.
- Show office will provide at least six-foot distancing for check-ins areas and in locations where lines form.
- Show office personnel will have a protective barrier separating them from exhibitors.
- Show office will provide sanitizing wipes and/or sanitize entry and exit points of office regularly. When possible, doors will be left open during check-in or periods of high traffic for air flow.
- Separate entrance/exit doors will be marked to minimize crossing of people.
- To minimize contact, communication will involve radios, phones, announcements, etc.
- Stall and RV reservations will be handled prior to the event.
- Results and scoresheets will be posted online only.
- Draws will be posted online and at other appropriate locations. Exhibitors are encouraged to use the online draws and only check the posted draws to confirm scratches or adds. Do not crowd the gate person or announcer.
