

Speed Event Exhibitors:

We have been put in an unfortunate situation by AQHA regarding the Redbud speed events. As most of you know, the Lance Graves International event was canceled in February due to weather. It has recently come to our attention that AQHA approved their request to move this event to June dates that overlap the speed events at the Redbud Spectacular. Since AQHA approved this move, we were forced to decide the best course of action for our exhibitors and show. We believe that most speed event exhibitors will choose to attend the Lance Graves International event; therefore, we have decided to cancel these events at the Redbud. We encourage everyone to attend the Lance Graves International as this is an OQHA approved event and will count toward year-end awards. We are working with AQHA to try to prevent this type of scheduling and approval error from happening in the future as it negatively impacts the affiliate, shows, and exhibitors.

We sincerely apologize for this cancelation, but the events leading up to this decision were out of our control, and we hope to see you back at the Redbud next year!

OQHA Executive Committee
